ABOUT ME

Aspiring Front-End Developer based in Ohrid, eager to learn and grow in the world of web development. Passionate about design, animation, and creating interactive digital experiences. Always exploring the latest trends and technologies, I'm focused on improving my skills and building projects that showcase creativity and functionality. Currently seeking opportunities to gain hands-on experience, collaborate with professionals, and kick-start my career in web development. Open to internships, freelance projects, and any chance to learn and contribute to exciting digital experiences.

EDUCATION

UNIVERSITY FOR INFORMATION SCIENCE & TECHNOLOGY ST. PAUL THE APOSTLE
Ohrid
2025

Bachelor

Studied Information Science & Technology, gaining knowledge in software development, data management, and IT systems.

BRAINSTER
Skopje
2025

Undergraduate

Attended a Front-End Development program, focusing on building responsive and dynamic web applications. Gained hands-on experience with HTML, CSS, JavaScript, and modern frameworks such as React.js and Next.js. Worked on real-world projects, improving problem-solving skills, UI/UX design principles, and best coding practices.
